

Dieter Bock

Member of the Board of Management PUMA AG

Dieter Bock (born July 2, 1958) has been Member of the Board of Management since July 2005 and is responsible for Finance & Controlling and Administration.

After starting with PUMA in 1979 in the accounting department he became Senior Group Head Accounting in 1988. From 1992 on he was overseeing the finance department including accounting, controlling, tax and treasury and with the start of Phase I of PUMA's long-term company development in 1993 he quickly moved on to become General Manager Finance including Controlling. Since 2002 he was part of the Group Executive Committee.
