Statement of Compliance 2019 by the Management Board and the Supervisory Board of PUMA SE with the German Corporate Governance Code in accordance with Section 161 Stock Corporation Act (Aktiengesetz)

The Management Board and the Supervisory Board of PUMA SE declare that PUMA SE has been and will be in compliance with the recommendations issued by the “Government Commission on the German Corporate Governance Code” (the “Code”) (code version dated February 07, 2017), since the last Statement of Compliance from November 09, 2018.

Exceptions to the Code’s recommendations

- In derogation of No. 3.8 p. 3 of the Code, members of the Supervisory Board are provided with D&O insurance with no deductible. The Supervisory Board feels that it can dispense with a deductible for members of the Supervisory Board, because the D&O insurance is group insurance for people in Germany and abroad, and a deductible is fairly unusual abroad.

- According to No. 4.2.3 p. 2 s. 4 of the Code both positive and negative developments shall be taken into account when determining variable remuneration components. As regards negative developments this recommendation is deviated from, since the structure of the PUMA Monetary Unit Plan may not fully comply with the purpose of the recommendation, but it comes fairly close.

- In derogation of No. 4.2.3 p. 2 s. 6 of the Code the compensation of the members of the Management Board does not show the maximum amount limits in total or their variable, compensation components. This is due to the fact that neither the existing PUMA Monetary Units Plans 2016/2017/2018 nor the PUMA Board Member Bonus Plan nor the discretionary extra bonus clause provide for a maximum amount.

- In derogation of No. 4.2.3 p. 2 s. 8 of the Code subsequent amendments to the performance targets or comparison parameters are not excluded. This provides the possibility to the supervisory board to react to extraordinary effects using its equitable discretion.

- According to No. 4.2.3 p. 3 of the Code the target level of pension benefits for every pension commitment shall be established by the Supervisory Board. Due to the defined contribution plans, PUMA does not comply with this recommendation.

- In accordance with the authorization by the Annual General Meeting on April 12, 2018, pursuant to Section 286 p. 5 HGB, the Company shall not publish the amounts of compensation for individual members of the Management Board until the authorization expires (Nos: 4.2.4 and 4.2.5 of the Code). The members of the Management Board shall adhere to the authorization when they prepare the annual financial statements. Based on the authorization of the Annual General Meeting, and in derogation of No. 4.2.5 p. 3 of the Code the information stated in this
Section regarding the compensation of the members of the Management Board is not included in the Compensation Report.

- In derogation of No. 5.4.6 p. 2 s. 2 of the Code, members of the Supervisory Board receive performance-based compensation that is not linked to the sustainable success of the Company. The compensation was authorized by the Annual General Meeting on April 12, 2018, it is stipulated in the Articles of Association and is deemed to be proper and correct by PUMA SE.

- In derogation of No. 5.4.6. p. 3 of the Code, the compensation of the Supervisory Board members is not shown individually. In the opinion of PUMA SE, this is not additional information relevant to the capital market as the respective remuneration regulations included in the Articles of Association are in the public domain.
