LEVEL UP WITH THE PUMA TECH PACK FEATURING TECH UPGRADES TO THE ULTRA SL & THE FIRST LACELESS FUTURE Z 1.2

Herzogenaurach, Germany – August 12, 2021 – Sports company PUMA has today launched The Tech Pack featuring the first ever laceless FUTURE Z 1.2 and upgraded ULTRA SL Tech Edition. The limited-edition pack utilizes innovative technology and lightweight materials to enhance the technical benefits of each silo, creating the most advanced versions of the FUTURE Z and ULTRA ever.

The FUTURE Z 1.2 Tech Edition has been engineered for the ultimate laceless lockdown so you can defy every challenge on the pitch. The FUTURE Z Tech has been crafted to enhance the playing style of the world's most creative playmakers. The upgraded FUTURE Z includes an advanced FUZIONFIT X compression band featuring 100% Sorona yarns, delivering an all-new updated knit pattern for enhanced compression to create the ultimate laceless experience. The new upgrades to the compression band provide the perfect fit and mid-foot lockdown with optimal breathability.

The FUZIONFIT X band is fused to an asymmetrical Dynamic Motion System outsole for optimal lock-in and support to drive the opposition crazy. The upper is made of an innovative knitted material coated with a thin layer of GripControl Pro to provide superior touch and ball control.

"The new FUTURE Z has been elevated to a whole new level with innovative technology and materials," said *Florian Nemetz, Senior Product Line Manager Teamsport Footwear*. "With the

updated FUZIONFIT X compression band there is no need for laces. The band locks the foot into place for a sensational, unique fit that players won't have experienced before. Combined with the lightest and most technical ULTRA ever, the Tech Pack is the ultimate in innovation."

The all-new ULTRA SL Tech Edition speed boot has been crafted to unleash your straight-line speed so you can See Them Later. The ULTRA SL features an ultra-thin woven upper with super-lightweight yarns for optimal lightweight support. The upper is combined with an ultra-lightweight PEBAX outsole for lightning-fast acceleration and the upper features a special GripControl Pro skin that provides an enhanced texture for decisive command over the ball.

Level up with the PUMA Tech Pack featuring the first ever laceless FUTURE Z 1.2 and the upgraded ULTRA SL, available from August 12th at PUMA.com and select retailers worldwide.
